Dear Steph,

I am writing on behalf of the Suffolk Advanced Motorcyclists group to thank you and the Copdock Classic Motorcycle Club Committee for the generous donation of £2000, this money will be used specifically to promote safe motorcycle riding and the IAM motorcycle test.

As a group and individually we are delighted to be involved in such a well organised and enjoyable family event, please pass on our congratulations to the hardworking team who worked tirelessly to pull it all together.

It's an incredible achievement to raise so much money and support so many charities, we will be very pleased to offer our help and support again in 2012.

With my kind regards,
